place
to start for

PHARMACY TECHNICIAN

This certificate program prepares students to assist in the preparation of prescribed medications. You will be qualified to work as a pharmacy technician in a retail pharmacy, hospital, nursing home, assisted living facilities or mail-order pharmacies. You will learn how to use medical terms, make dosage calculations, and work with insurance claims. Upon completion of the program, you will be prepared to take the Pharmacy Technical Certificate Board Exam (PTCB).

The following certificate may be earned:

Pharmacy Technician
