

# Enrollment Checklist

Thank you for your interest in Pickens Technical College - A Great Place to Start! Here are the next steps to begin your career training at Pickens:

## Step 1 - Apply

Fill out a free online application at: [tinyurl.com/pickensapply](https://tinyurl.com/pickensapply) . When your application is submitted you will receive a confirmation email

## Step 2 - Academic Plan

Develop an academic plan. Go to [www.pickenstech.org/students/career-services](http://www.pickenstech.org/students/career-services) for more details about this process. Choose what times and which program you would like to attend. If you have questions at any point in this process, please contact the career advising office.

## Step 3 - Financial Plan

Go to [www.fafsa.gov](http://www.fafsa.gov) to complete your Free Application for Federal Student Aid. If you need help completing the FAFSA, appointments are available by calling the Registration Office at 303.344.4910 ext. 27797 or [Pickensregistration@aurorak12.org](mailto:Pickensregistration@aurorak12.org). Once your FAFSA is completed, go to [www.pickenstech.org/students](http://www.pickenstech.org/students) for information about creating a financial plan. If you have questions during this step, please contact the financial aid office at 303.344.4910 ext. 27961 or [klehrler@aurorak12.org](mailto:klehrler@aurorak12.org).

## Step 4 - Register

Please contact our registration office and register for the program and time slot. This step officially confirms your placement in your program of interest. Note: Due to Covid 19 Restrictions, our registration process has been moved to an online model. We will not be available for phone calls at this time. Once you complete your application, a member of our registration staff will contact you with program availability and next registration steps. For questions during this process, please contact registration through [Pickensregistration@aurorak12.org](mailto:Pickensregistration@aurorak12.org)
