

Fall Registration 2023

We are excited to announce that registration for Fall 2023 will be done completely [online](#). There will be no in-person registration at the campus. All applicants will receive an email for their program of interest. Note the specific dates below indicating when the registration window opens for each program. Available slots will be filled on a first-come, first-serve basis by responding to the email from our registration staff. When programs are filled, we will begin a waitlist.

All applicants for the Cosmetology, Esthetician, Nail Technician, and Barber programs will be required to take a TABE test before their application can move forward for consideration. If you submitted an application for the Barber, Cosmetology, Esthetician or Nail Technician program, please email Paula Anderson at paanderson@aurorak12.org to schedule your TABE test.
