

Title IX Procedure For Filing a Complaint.

*PTC has a procedure in place that serves to be sensitive to those who report sexual assault, domestic violence, dating violence, and stalking. The process for filing a complaint with the college is outlined below. This report will ensure a thorough, reliable, timely, and impartial investigation and resolution. The standard of evidence used in adjudication of cases of sexual misconduct is the **preponderance of evidence** standard—it is more likely than not, that a violation of this policy has occurred. When a violation is determined, PTC will take prompt corrective action and impose appropriate sanctions. The College complies with federal, state and local laws, including the reporting of certain crimes to law enforcement authorities.*

PTC will protect the identity of persons who report having been victims of sexual assault, domestic violence, dating violence, or stalking to the fullest extent of the law.

STEP 1: File a Complaint with PTC as Soon as Possible after the Incident Occurs.

STEP 2: Preliminary Review and Assessment of Complaint.

STEP 3: Notice of Sexual Misconduct Complaint to Distribute to All Concerned Parties.

STEP 4: Investigation.

STEP 5: Review of Investigation Findings and Decision
