

## Fall Registration 2024

We are excited to announce that registration for Fall 2024 will be done completely online. There will be no in-person registration at the campus. Note the specific dates below indicating when the registration window opens for each program.

All applicants with completed applications will receive an email on the indicated dates, for the enrollment of their program of interest. Available slots will be filled on a first-come, first-serve basis by responding to the email from our registration staff. When programs are filled, we will begin a waitlist.

*All applicants for the Cosmetology, Esthetician, Nail Technician, and Barber programs will be required to take a test before their application can move forward for enrollment consideration. If you applied for the Barber, Cosmetology, Esthetician or Nail Technician program, please email Paula Anderson at [paanderson@aurorak12.org](mailto:paanderson@aurorak12.org) to schedule your test.*
