DIESEL MECHANICS

education that works!

Pickens Technical College offers an ASE/NATEF Certified Medium/Heavy Truck Training program taught by an ASE certified Instructor with over 30 years of hands on experience. The program is designed to train the student for entry level and advanced employment as M/H Truck Technicians. Average wages after successful completion of the program is \$30,000 to \$42,000 annually. In addition, each individual class is designed to prepare the student for its respective ASE certification test.

The following certificates may be earned:

Diesel Technology

Please see reverse side for specific certificate information

DIESEL TECHNOLOGY CERTIFICATE

Certificate length: 2 Semesters

Courses required for this certificate:
