ESTHETICIAN

education that works!

The Esthetician Program provides the student with specialized training in skin care, hair removal, day spa facial and body treatments. Advanced training includes skin care machines, professional make-up, facial massage, exfoliation treatment, aromatherapy, nutrition and health of skin. The program includes specialty treatments for problematic skin types, ingredient and product analysis, and salon business. Students successfully completing the program will be prepared to take the Colorado State Agency Licensing Exam. Full program completers also receive a certificate for chemical peels and microdermabrasion after "License Examination".

Note: Colorado State Agency requires a minimum of 20 credit hours and/or 600 clock hours. Upon meeting school requirements for receiving a certificate, a student may be eligible to register for the State Licensing Exam. Students will be prepared for the Colorado State Agency Licensing Exam.

Courses are taught concurrently, not individually, through competency-based, theory and practical instruction. Students must complete all coursework with a grade of "C" or better. All clusters must be completed before testing for state licensing. Courses are evaluated by examination and demonstration.
